Kia ora koutou,

THIS WEEK

Drama plays an important part of our kaupapa at Kelburn Normal. This week the opposite ends of our school share their dramas with whānau - Tupu starting today with performances through to Thursday. On Thursday Māia are performing Shakespeare and these performances are always a highlight as our tamariki show what up to 8 years of drama engagement can enable.

Tupu Drama Sharing is this week at 2 pm in the Hall, Monday - Tupu Brown, Tuesday - Tupu Miller, Wednesday - Tupu Wilby and Thursday - Tupu Molloy

Māia Play Performance is Thursday at Gryphon Theatre. Button @ 6 pm and Munn @ 7.15 pm (**performers to arrive 40 mins prior**) Please book your tickets through the office. On Monday, Tuesday and Wednesday this week ākonga will be walking to and from the Gryphon Theatre. Students need to be wearing appropriate walking shoes and have a rain jacket in case of spring showers. We will be leaving at 8.50am and returning at 3pm

Assembly - Please note that the week 9 assembly on Friday hosted by Whānui will start at the earlier time of **9:00 am**. Both senior and junior kapa haka will be performing at this assembly.

LAST WEEK

Y5-8 WZ Miniball - the students had fun at the WZ miniball last week. It allowed some new players to have a go. Thanks to the Kelburn staff and whānau for helping out and making it a successful day.

The Student Council raised \$764.85 on Onesie day. Thank you to those families who also donated online.

NEXT WEEK

Playground Repairs - next week contractors will be in to repair the surface matting under the junior playground. This will improve the safety matting. The playground will be out of action for 2 weeks.

Recorder concert from 1 pm - 1.40 pm in the hall on Wednesday 20 September.

Friday 22 September - School closed for Teacher Only Day

Please Note - Week 3 Term 4 - Tuesday 24 October - On this Teacher Only Day the school is closed for 3 Way conferences.

Cricket Wellington - Recently, Matt from Cricket Wellington visited our school to deliver a Smash Play Cricket programme for our tamariki. We played games that involved Batting, Bowling and Fielding like Junk Yard Smash, Superstars, Super Bowl, Messy Bedroom and Snowball Tag. We also learnt important values when playing these games that can be easily translated to the classroom and outside of school such as honesty (pono), teamwork (mahi tahi) and support (tautoko).

If anyone is interested in playing Cricket this summer, you can register to play for a junior club via this link [Cricket Wellington - Find A Club](#) . There are plenty of junior clubs that you can play for in the Wellington Central area

Thank you for your continued support for our kura.
Ngā manaakitanga,
Andrew

Māia Update

We are very excited to show you what we have been working on! On the night of the performance we ask that the children come to the theatre 40 minutes before start time, and that they wear foundation. The plays that we will present to you next week are a mere glimpse of the learning we have been doing this term. What you will see is the result of studying literature, art, films, drama conventions, history, gender-roles, belief systems, and power struggles. Our interpretations of the famous plays are playful, dark, twisted and at times ironic. Please be advised that Macbeth is not appropriate for younger viewers.

Less than a week until Play Night!
A friendly reminder to please contact the office to book your seats as there are a limited number available.

Thurs 14th September

**Gryphon Theatre
Ghuznee St**

**Māia Button 6 pm
Māia Munn 7.15pm**

Camp

Thank you so much to those who have volunteered to support us with our Term 4 camp. The camps will be overnight at <https://pukaha.org.nz/>

Māia Munn: 31 October- 1 November

Māia Button: 1 November - 2 November

More information to come.

Maths

In maths, we have been continuing our exploration of number patterns as part of our algebra unit. In the final week of the term, we will delve deeper into graphing relationships. Many of the concepts we have encountered this term will be recapitulated in term four as part of our geometry unit.

Te Reo

Soap carving with Matua Jason was a big hit with the children. Everyone found it much more challenging than they initially thought, and it was a great bonding experience for the children as they supported each other to learn new techniques. Jason has provided a variety of learning experiences for the children including carving, kahoots, drawing, film, and storytelling. We are fortunate that he is so generous to share his expertise and knowledge with us.
