Kia ora koutou,

A reminder that we finish the term on Thursday at 3pm and our last school assembly, hosted by Whanake, will be held on Thursday at 10.15am.

Thank you so much for attending the 3 Way Learning Conversations & Goal Setting last week. This engagement, particularly by including the children, is a helpful part of the feedback/feedforward process for learning. Our tamariki are still young, but by including them, we get to see where they are in their learning journey. At Kelburn, we don't colour in worksheets, we try to build things from scratch. Often we look at our tamariki's work from an adult perspective, but when you talk to them, you can hear them explain the process they followed right through to their finished work. Often you can hear their thinking, their planning, what was tricky and their satisfaction at what they finished up with. We celebrate their creativity, their individuality, their effort and their growth...because we want them to be independent and creative, confident, connected learners. Our support is crucial to help them be just that.

As we enter the final week of the term, we are all looking forward to the break. The tamariki continue to be wonderful, working hard and getting on well with each other. It is a challenging environment really, when you think about it - like any organisation, we are all put together and then have to make it work. Our young tamariki have to get on and work well with each other every day, in a confined space for 6 hours. It is quite a challenge and remarkable how well they actually do. It accurately reflects the hard work and skills of our teaching team to build each successful ara, as well as Kelburn's wonderfully engaged tamariki exercising our values of Pūkengatanga (excellence), Manaakitanga (care) and Whānaungatanga (interdependence).

Everyone at Kelburn deserves a break and to enjoy some whānau time and refresh and get ready for term rua.

Beginning of term 2- A reminder that the first school day in term 2 is **Wednesday 26th April**. Monday is a MOE teacher-only day on the refreshed curriculum, and Tuesday 25th April is, of course, Anzac Day.

King's Birthday - Please note that **Friday 2 June (week 6)** is a Kahui Ako teacher-only day so school will be closed on that day. This makes the King's Birthday weekend a longer weekend than normal.

Cross Country - We Need Your Help! - tomorrow (Tuesday 4th) is our school cross country at Karori Park. The event is twofold, with the competitive event starting just after 10 through to 11am, followed by the whole school fun run from 11am. We will be following last year's plan, which was such a success. We are asking whānau for help on the day, so if you can help, [please click here](#) and add your name.

Protect Your Child From Peer Pressure

Help your school-aged child develop a **strong sense of identity and their own opinions** to resist peer pressure.

LET THEM CHOOSE MUSIC FOR DRIVES IN THE CAR.

- Why do you like this song?
- How does it make you feel?
- What other types of music do you like?

HELP THEM DEVELOP THEIR OWN STYLE.

- What color combinations do you like best?
- How do you want your outfit to make you feel?

HELP THEM DEVELOP OPINIONS ABOUT CURRENT EVENTS.

- What do you think about the situation?
- If you don't understand something, how would you get answers?

PLAY "WHAT IF" GAMES TOGETHER.

- What if you didn't have to go to school? What would you do instead?
- What if you could study anything at school, what would it be?

When you routinely ask non-judgemental questions and accept their opinions...

...you help them develop a strong sense of identity and **resist peer pressure.**
