Online Learning at KNS: Responsible Use Agreement

I am learning to be a good digital citizen who takes part in, and contributes to, the online world in positive ways. I will do this by upholding our school's and my family's /whanau's values and the manakitanga of our community.

When I am online, I will:

1. Respect other people, and encourage and support my friends.
2. Make good decisions so that I have safe, positive learning experiences.
3. Learn the skills I need to explore and use the online world confidently.
4. Ask for help when something doesn't work, or I get lost.
5. Get to know how communicating in the online world is different.
6. Speak to my parents or teacher if something upsetting happens online.
7. Share my personal information with my friends, teachers, and family only.
8. Follow the school's rules for using and looking after devices, and for going online.
9. Learn how to learn in the online world.

This information will be kept as a permanent record for the duration your child is at Kelburn Normal School. This agreement is consistent with the school's Digital Technology and Cyber safety Policy, which is available on our website. It is supported by the school's curriculum documents and other procedures.
