

### **Out of Zone Enrolment process for 2023**

Kelburn Normal School Enrolment at the school is governed by an enrolment scheme, details of which are available from the school office.

For more information about our school visit [www.kelburnnormal.school.nz](http://www.kelburnnormal.school.nz).

The Board has determined that spaces are likely to be available at year levels (Y1-7) for out of zone students eligible for enrolment during the period January – December 2023.

Applications for out of zone places are invited for those students who are eligible for enrolment as outlined above. The deadline for receipt of applications for out of zone places is Monday of week 10 of each term.

If a ballot for out of zone places is required it will be held on the Tuesday of that week. Parents will be informed of the outcome of the ballot within three school days of the ballot being held.

If you live in the home zone and have not yet signalled your intention to enrol your child, please contact the school immediately to assist us to plan appropriately.
