

## **Kelburn Normal School**

Enrolment at the school is governed by an enrolment scheme, details of which are available from the school office. You can find more information about our school on our website.

The Board has determined that spaces are available at all year levels (Y1-8) for out of zone students eligible for enrolment during the period January – December 2022.

If you live in the home zone and have not yet signaled your intention to enrol your child for 2022 please contact the school immediately to assist us to plan appropriately.
