## **Maths No Problem Workbooks**

A few things to know about Maths No Problem:

Kia ora e te whānau,

Our kura has been trialling the Maths No Problem resource this year. This Ministry of Education–funded programme is designed to strengthen maths learning across Aotearoa schools. The programme includes a class textbook (years 2-8, which stays at school) and Student Workbooks, where tamariki complete some of their written tasks. Soon, your child will bring their first 'Student Workbook' home.

Many teaching sessions include related pages in the Student Workbook, which are broadly structured as follows (there may be differences across the year groups):

- Question 1 Completing this accurately demonstrates that your child has grasped the fundamental concepts and may be working at the expected level for their year group, depending on the level of teacher support they require.
- Question 2 This involves solving problems in familiar situations. If completed independently, it suggests your child is likely working at the expected level for their year group.
- Question 3 This involves solving problems in both familiar and unfamiliar situations. If your child has completed this independently, they may be working at a more advanced level for their year group.

Please note that in Years 1 and 2, tamariki are supported in completing most of their workbook activities with their kaiako.

If your child has not completed Question 1, they are not expected to attempt Questions 2 or 3. You might notice some gaps in their workbook — this is entirely normal and often reflects where students were working during lessons.

You may also find that not every section in the workbook has been completed. There are a few reasons for this:

- The resource is new, and not all the lessons are relevant to the refreshed curriculum in Aotearoa.
- We still use other resources and lessons, which leaves a shorter timeframe to work through the workbook material.
- Some students completed related tasks in their maths books or through hands-on activities instead of directly in the workbook.
- Different year levels have different workloads some workbooks contain more sessions and pages than others.

Once the workbook comes home, what you do with it is entirely up to your whānau. There is no expectation that unfinished pages need to be completed, and these books should not be returned to school, as we will soon begin using the next workbook.

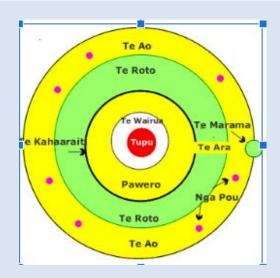

If you have any questions about your child's learning, please contact your child's teacher.

### Year 7&8 Kī-O-Rahi Tournament

Kia ora,

On Thursday 30th October the Kahui Ako are holding an inter-school Kī-O-Rahi Tournament at Karori Park. Kī-O-Rahi is a large team game played between 2 teams, kioma and taniwha, on a large circular field. Played for 4 quarters or 2 halves of a set time, teams alternate roles of Kīoma and Taniwha at half or quarter time.

The children are excited to learn how to play Ki O Rahi this term, and the tournament is a fun opportunity for them to play some friendly rounds with other kura.

We will be taking 20 children on a bus to this tournament. Your child will know if they are on the list to attend.

We will be leaving at 9:25am and returning around 2:00pm.

Your child has expressed interest in coming. Please fill out this online permission form to secure their place. <a href="https://forms.gle/SRKH8GwKAhkPoJwn8">https://forms.gle/SRKH8GwKAhkPoJwn8</a>

We will need two parent helpers for this event to go ahead, please consider volunteering if this is within your availability.

A small donation is requested to cover the cost of transportation. This amount will be added to your child's statement.

It's great that your child is doing road patrol in 2026. Can you help them out?

We are seeking **parent helpers** to supervise the 2026 student road patrollers.

Road patrol duty is:

- 30 minutes
- once a week
- before or after school

Join the **friendly team** of parent volunteers who assist in keeping our children safe. (cover is available if a volunteer has another commitment during their normal shift)

This is a great way to **be seen** helping the school community, and saves the school money!

Please text Claire on 021 537 567 if you are able to help.

P.S. Orange really suits you :)

### Year 8s Leavers Event

This year, our celebratory Leavers' Event will take place in the Māia space on **Thursday, 11 December** at school. The cost of hiring a venue has become prohibitive, and we have a much-admired space in which to celebrate. The recognition of students' time at Kelburn Normal School will occur at this event rather than at a whole school assembly. Students will receive certificates detailing their achievements and contributions to the school. Each student can bring two guests to the celebration; due to the nature of the event, it is not appropriate for siblings to attend, unless they are adults. We understand that families come in all sorts of configurations so if you require extra tickets, please send a request to the office so that we can accommodate you.

### What to expect:

- A high tea with sweet and savoury treats.
- We will assemble from 4.30 pm, with mixing, mingling and nibbles. The event will conclude before 6.30 pm.
- A cheerful, festive atmosphere (physically and emotionally).
- Year 8 students will each receive a certificate detailing their achievements and contributions.
- Students will present recollections of their primary school years; and for the last hurrah, there will be a waiata and an item from the team.
- A few short speeches.

### Things to note:

- The event is semi-formal and children are asked to wear smart attire. Some children are pretty savvy about what is appropriate, but sometimes they require more support. Shorts, T-shirts, or jandals would not be appropriate. We find many of the children do like to take the opportunity to dress up.
- This is an alcohol-free event.
- This is for year 8s only, no younger siblings are to attend.

### What we need from you:

• In the near future, we will send out a form for you to complete, which will allow you to indicate the number of tickets you plan to purchase, as well as the ticket price. The cost of this event is likely to be approximately \$20 per ticket.

The children do look forward to their Leavers' Celebration. The adults find it an entertaining and somewhat poignant event.

#### Phones and Smart Watches

This is a friendly reminder that we strongly recommend that children do not bring phones or smart watches to school. These items are not allowed in the learning spaces, or to be used at all during school hours. If students need to bring these items to school, the best thing is to hand them into the office at the beginning of the day, and collect them as they leave. If the item has the ability to record sound, take photos, message, call, or access the internet, it is classed as a smart watch or phone.

# 2026 Whānui Camp - El Rancho Camp - Wed 25th - Fri 27th February 2026

Dear parents and caregivers of Year 4 and 5 children

Looking ahead to 2026, we are planning the biannual Whānui Camp. It will be at El Rancho in Waikainae. The camp's primary purpose is to set the stage for the year's learning and establish positive relationships between tamariki.

We are asking for volunteers to assist us at camp. Helpers will be required to leave school with us on Wednesday, February 25th, via bus, attend full days, stay both nights, and return to school with us on the bus on Friday, February 27th.

If you are selected to come and help us at camp, you will not be with your child. Camp is an opportunity for the children to be independent from whānau. Of course, you may have opportunities to watch some of your child's activities and see them during meal times, but helpers are primarily there to assist teachers and El Rancho staff.

Attending the camp requires stamina and fitness. Some activities include physical activities, assisting the instructors with activities, meal preparation, and cleaning duties. Not a lot of sleep happens on the two nights we are away!

If you can volunteer for camp, please contact Rebekah Rasmussen at <a href="mailto:rebekahr@kelburnnormal.school.nz">rebekahr@kelburnnormal.school.nz</a>

### You will also need to complete a police check.

For all whānau, the requested donation towards the cost of the camp is \$320 per child. We appreciate that this is a significant expense; however, a large part of the El Rancho experience is not just food, travel, and accommodation but also the cost of the trained staff who care for us at the camp and in activities.

You can pay by depositing money into the school bank account, using account # 12 3223 0190001 00. (Please add your child's name and camp as a reference.) You can also pay at the school office, and if you would like to set up a payment plan, please arrange this through the office.

Kind regards, Bex

### Reminders

**School Hui** - to help ensure a safe transition at the end of each hui, we kindly ask whānau to either stay in the hall or exit the hall through the side exit doors by the road patrol shed. Please then wait in the playground at your regular pickup spot so all tamariki can use the link to return to the learning spaces to collect their bags and be released from their class on time. In the interests of health and safety, please keep the linkway and doors clear at all times. Thank you for your support and understanding.

Ezlunch orders - Click the link for an updated menu

**Parking** - Just a friendly reminder to please follow our parking guidelines during pick-up and drop-off times. If grandparents or friends are collecting your child, we kindly ask that you remind them to park legally and respect the designated parking zones and drop-off areas.

Thank you for helping us keep everyone safe and ensuring a smooth flow of traffic around our school

**Parking on Boundary Rd** - Please do not park in front of the garages on Boundary Road. We have received complaints from neighbours who regularly have their vehicles blocked in by parents who have parked in front of their garages.

**Security Cameras** - Please be aware that security cameras are operating on school grounds to deter and investigate any vandalism to school property and other antisocial or illegal activity. The cameras are not operating inside school buildings and are programmed to only record activity outside of school hours.
