#### Schoolwide Updates

#### Whānau Information Evening – Wednesday 11 February

Tonight, we have our Whānau Information hui held at 5.30 pm on Wednesday, 11 February in the teaching spaces. Each ara: Te Ara Tupu, Te Ara Whanake, Te Ara Whānui, and Te Ara Māia, are looking forward to sharing with you how each ara is set up for learning this year. Kaiako will share a presentation, including camp information, and will have time for questions and discussion. No need to sign in, just come to the learning spaces.

#### Orchestra and Xylobeats ensembles swap days

Our performing ensembles have made a strong start with many tamariki keen to get involved! We have to make one small change to our timetable due to Māia's technology schedule. Orchestra will now be on Tuesday morning at 8:20am and Xylobeats will on Wednesday morning at 8:30am.

#### Band Auditions Tomorrow

Tamariki from years 6-8 can audition to be in one of our school bands, taught by Mr Jeremy Desmond and Mr Tristan Carter. If your child plays an instrument and wants to learn how to rock out with others, they can come to an audition tomorrow. If they make it into one of our bands, there is a small charge to whānau for this, to pay for our band teachers' time and skills. If children are in the band, they must be taking music lessons for their instruments, and singers must be in the choir and/or take singing lessons.

#### Songwriting classes at Kelburn Normal School

We are excited to welcome Shan to our music teacher team. She will be offering song writing lessons.

Have you a notebook full of lyrics? A great melody but can't get it onto paper? Hear a song you love on the radio and wondered if you could do the same?

Hi! I'm Shan and I think there is nothing more satisfying than playing a song you created yourself.

I've been writing songs for a lot of my life and it is a passion of mine that I would love to share with you.

I teach fun, friendly songwriting classes where you can bring already formed songs, ideas or just start from a blank piece of paper to create something amazing! You will gain confidence and personalised songwriting sessions where we work to have songs ready for a performance and a chance to record your own demo.

Please contact Shan on 0276332807 or email at [shanjmusic@gmail.com](mailto:shanjmusic@gmail.com) to book or talk about songwriting! 🎵

## International & Bilingual Whānau Afternoon Tea – 19 February 2:30 pm

We will be hosting an afternoon tea on **Thursday 19 February** for the whānau of our international students, bilingual families, and English Language Learners (ELLs).

This will be a relaxed opportunity to connect, meet other families, and spend some time together at school. We will use this occasion to share information with you about the support we offer our English Language Learners and answer any questions you may have. More information will be sent shortly.

## Unsupervised Students in the Playground before 8.30 am and after 3 pm

As it is the beginning of the new school year and we have many new whānau who have begun at Kelburn, we would like to remind the Kelburn community of the school's expectations around drop off and pick up supervision of our tamariki each day. We have observed that some of our tamariki are not being picked up at 3 pm and left unsupervised in the playground. Our tamariki safety is important to us, and all students on school grounds before 8.30 am and after 3 pm must be supervised by an adult. There is the option of enrolling your child in the after-school care programme run by Kelly Club from 3.00pm to 6.00pm daily. If you are running late due to unforeseen circumstances please let the office know, and if you are regularly running late please make alternative arrangements to ensure your child is supervised and safe. In New Zealand, it's against the law to leave tamariki under 14 without making reasonable provision for their care and supervision.

## Movin' March

**Let's Get Movin' in March!** - We always engage in Movin' March. While the weather is good, we emphasise walking or wheeling to school. It certainly helps our congested parking around the school when tamariki walk and wheel to school, and get some exercise as well. If you travel from outside Kelburn, then don't forget the Park and Stride concept, which is parking away from school and enabling tamariki to walk or wheel from there. For classes in Y1-6, we will have the Walk or Wheel Passport Challenge program to celebrate walking or wheeling to school; once they have filled these, they can return them to school to enter the prize draw.

## Whanake Updates

### Whanake Lunchboxes

As the warmer months continue, we're asking whānau to help keep our tamariki safe by sending lunches in insulated lunchboxes or with an ice pack. Food can warm up quickly in school bags and classrooms, increasing the risk of spoilage before lunchtime. Using an insulated bag or ice pack helps keep kai fresh and safe to eat, especially items like yoghurt, meat, or leftovers. It's a small practical step that supports our tamariki's wellbeing and helps ensure they have a safe, enjoyable lunch at kura each day. Thanks for your support with this.

## Whānui Updates

### Whānui Camp – Important Permissions

If you haven't already, please complete the online [El Rancho Camp 2026 - Whānui EOTC](#) permission form and submit it. This form by Thursday, the 5th of February.

Also, please come to the Whānau Information evening held at 5.30 pm on Wednesday, the 11th of February, in the Whānui space, if you would like to know more about the camp.

A camp packing list is also available. [El Rancho Camp Packing List](#)

## Māia Updates

### 2026 Māia Camp at Waimanaaki – Tuesday 3rd to Friday 6th March

Looking ahead to 2026, we are planning the biannual Māia Camp. It will be at Camp Waimanaaki in Riversdale. The camp's primary purpose is to set the stage for the year's learning and establish positive relationships between tamariki.

We have a comprehensive permission form to collect necessary information about your child. We would be grateful if you would please complete this by Term 1 2026!

[Year 7/8 Camp 2026 Permission Form](#)

For all whānau, the requested donation towards the cost of the camp is \$388 per child. You can pay by depositing money into the school bank account, using account # 12 3223 0190001 00. (Please add your child's name and camp as a reference.) You can also pay at the school office, and if you would like to set up a payment plan, please arrange this through the office.

## Check Contact Details and Child Permissions

Please take a moment to **check your contact details** on the school app to ensure they are up to date. If you need to make any changes, kindly inform the school office as soon as possible.  
Keeping your details current helps us stay connected and ensures you receive important school updates.

Please take a moment to check your child's **permissions** under the school app to ensure they are correct and up to date. If any changes are needed, kindly inform the school office as soon as possible.

## Sunhats

A reminder, we are a sun smart school, so all children must have a wide-brim sunhat at school each day in term one, regardless of the weather. Tamariki find it easy to have a hat that can be left at kura.

## 2026 Stationery packs – available to order online

You can order your 2026 stationery packs from our supplier [Qizzle online](#). Please ensure that these packs are delivered to your home, not the school.

## Absences

Please let us know via the school app or absence phone line if your child is going to be absent for any reason, or more than ten minutes late. Your child's teacher may not be able to check their emails and the admin email address may also not be checked in time for the absences, so please follow the school protocol for absences:

- please download our [etap @school app](#) to notify the office of any day to day absences (login details are available from the office):

or via a browser:

## Phones and Smart Watches

This is a friendly reminder that we strongly recommend that children do not bring phones or smart watches to school. These items are not allowed in the learning spaces, or to be used at all during school hours. If students need to bring these items to school, the best thing is to hand them into the office at the beginning of the day, and collect them as they leave. If the item has the ability to record sound, take photos, message, call, or access the internet, it is classed as a smart watch or phone.

## Reminders

**School Hui** - to help ensure a safe transition at the end of each hui, we kindly ask whānau to either stay in the hall or exit the hall through the side exit doors by the road patrol shed. Please then wait in the playground at your regular pickup spot so all tamariki can use the link to return to the learning spaces to collect their bags and be released from their class on time. In the interests of health and safety, please keep the linkway and doors clear at all times. Thank you for your support and understanding.

**Ezlunch orders** - Click the [link for an updated menu](#)

**Parking** - Just a friendly reminder to please follow our parking guidelines during pick-up and drop-off times. If grandparents or friends are collecting your child, we kindly ask that you remind them to park legally and respect the designated parking zones and drop-off areas.

Thank you for helping us keep everyone safe and ensuring a smooth flow of traffic around our school

**Parking on Boundary Rd** - Please do not park in front of the garages on Boundary Road. We have received complaints from neighbours who regularly have their vehicles blocked in by parents who have parked in front of their garages.

**Security Cameras** - As mentioned in previous newsletters, following the damage to the shade sail (and subsequent theft of the school bell), the School Board decided to install CCTV cameras on school premises. These cameras have been installed for the purpose of preventing and detecting vandalism and other damage to school property as well as any health and safety issues occurring outside school hours. The cameras do not record during school hours. The Board has now updated the [School's Privacy Policy](#) and has adopted a [Camera Surveillance policy](#). These are available here and I encourage all members of the school community to review these.

## Enrolments 2026

If you live in our home zone and have not yet indicated your intention to enrol your child for next year please get in touch and complete an [online enrolment](#). If you know of other in-zone families who may be planning to enrol – please encourage them to get in touch with us. This helps us greatly with planning for the year ahead.
